WHAT THE CARE PLAN COVERS

EVERY YEAR, YEARS 2–5

✓ Domain renewal — your .com stays yours, renewed on time, every time

✓ Daily backups — your website can always be restored, whatever happens

✓ Uptime monitoring — we know before you do if anything blinks

✓ Seasonal banners — Diwali, Christmas, New Year — your site stays fresh

✓ Premium hosting + SSL — fast servers, https security, zero downtime worries

✓ Security patches & updates — software kept current and protected

✓ Menu & price updates — up to 2 content changes every month, done for you

✓ WhatsApp support — a message away, real response times

THE HONEST COMPARISON

Doing this yourself: domain ₹1,200 + decent hosting ₹3,500–5,000 + a developer on call for every small change at ₹500–1,000 per edit — and it's still your headache. **₹8,200** a year makes it ours.
