WHAT THE PLAN COVERS

EACH YEAR, YEARS TWO TO FIVE

Domain renewal — secured on time, in your name, every year

Managed hosting & SSL — monitored servers, https, no downtime worries

Daily backups — restorable at any moment, whatever happens

Security & updates — software kept current and protected

Uptime monitoring — we know before anyone notices

Menu & price edits — two content changes a month, done for you

Seasonal refresh — Diwali, Christmas, New Year, handled

Direct support — one WhatsApp message away

The honest comparison. Managed independently: domain ₹1,200, capable hosting ₹3,500–5,000, and a developer at ₹500–1,000 for every small change — with the responsibility still yours. ₹8,200 a year transfers it entirely to ours.
